6. Kankana Kattu - The bride ties a string fastened to a piece of turmeric around the wrist of the bridegroom to bind themselves by a religious vow. It is only after tying the kankanam that the bridegroom gets the right to touch the bride. A little later, the bridegroom ties a kankanam to the bride's wrist
7. Kanyadaanam / Kanyadaan (Giving Away of the Bride) - The father of the bride places her hand in the groom's hand requesting him to accept her as an equal partner. The concept behind Kanyadan is that the bride is a form of the goddess Lamxi and the groom is Lord Narayana. The parents are facilitating their union.
8. Panigrahana - a ritual in presence of fire, where the groom takes the bride's hand as a sign of their union
9. Gath Bandhan (Tying of the Nuptial Knot) - The scarves placed around the bride and groom are tied together symbolizing their eternal bond. This signifies their pledge before God to love each other and remain faithful.
10. Mangalya Dharanam (Thread of Goodwill) - A necklace worn specifically by married women as a symbol of their marriage.
11. Mangalpheram (Walk Around the Fire) - The couple makes four Mangalphas around the fire in a clockwise direction representing four goals in life: Dharma, religious and moral duties; Artha, prosperity; Kama, earthly pleasures; Moksha, spiritual salvation and liberation. The bride leads the Pheras first, signifying her determination to stand first beside her husband in all happiness and sorrow.
12. Saptapadi (Seven Steps Together) - The bride and groom walk seven steps together to signify the beginning of their journey through life together. Each step represents a marital vow:
First step: To respect and honor each other
Second step: To share each other's joy and sorrow
Third step: To trust and be loyal to each other
Fourth step: To cultivate appreciation for knowledge, values, sacrifice and service
Fifth step: To reconfirm their vow of purity, love family duties and spiritual growth
Sixth step: To follow principles of Dharma (righteousness) *Seventh step:* To nurture an eternal bond of friendship and love
13. Shanti Homam - The couple invokes Agni, the god of Fire, to seek blessings of all holy gods and goddess to shower them with right positive influence of planets of our solar system
14. Aashirvad (Parental Blessing) - The parents of the bride and groom give their blessings to the couple. The couple touches the feet of their parents as a sign of respect.

It will likely take between 3 to 4 hours for all the wedding rituals above to be performed. You can decide on any of them to be taken out if you are in time pressure.

The couple getting married need to make arrangements for priest to be picked up from temple or he can make it himself for which you need to re-imburse associated cost separately. He needs to be back at temple to be well in time for our evening temple opening hours.
